Between life and death, Nora Seed discovers a library of lives she could have lived. Each book offers a different path, inviting her to reconsider regret, possibility and what makes a life worth living.

Physical Copies

One record per physical item. Condition and circulation status are separate.

Add Physical Copy

3 total copies | 0 currently borrowable

Inventory code	Physical condition	Circulation status	Acquired	Loan / allocation	Actions
ML-001	Good	On loan	12 Sep 2022	Marko Babić · M-1088 Due 29 Oct 2026 · L-3020	Edit, Withdraw
ML-002	Worn	On loan	12 Sep 2022	Sara Novak · M-1105 Due 04 Nov 2026 · L-3021	Edit, Withdraw
ML-003	Good	Allocated	18 Mar 2024	Ivan Jurić · M-1130 Pickup by 01 Nov 2026, 15:00	Edit, Withdraw

Withdraw is unavailable for on-loan or allocated copies. Copies linked to loan history must be retained. Physical checkout and return are librarian-only actions in Circulation.

Add Physical Copy

Unsaved

New item for BT-001 · The Midnight Library. Cancel closes this unsaved form.

Inventory code *

ML-004

Must be unique across all physical copies.

Physical condition *

Good

Options: Good, Worn, Damaged.

Acquisition date *

29 Oct 2026

Date this item entered the collection.

Circulation status is system-managed

Saving an eligible new copy checks the waiting queue before it becomes borrowable. Never manually mark an allocated or on-loan copy as Available.

Purchase Suggestion Review

Review member requests and evaluate AI-assisted acquisition recommendations.

Pending review

Member Purchase Suggestion

Original member-submitted data · not AI-generated

Suggestion ID	Requested by	Submitted
PS-0018	Ana Horvat	28 October 2026

Suggested book	Author	ISBN
Project Hail Mary	Andy Weir	9780593135204

Member reason

I would love to see more contemporary science fiction in our library. This book has been highly recommended, and I think other members would enjoy it too.

AI-Assisted Analysis

Illustrative prototype findings · no live Google Gemini call has been executed.

Provider	Analysis status	Purpose
Google Gemini	• Completed	Category recommendation and possible duplicate detection

Librarian review required

AI suggestions are advisory and may be inaccurate. Review all recommendations before making an acquisition decision.

Suggested Categories

AI recommendations · illustrative prototype findings, not saved librarian choices.

Primary recommendation	Additional recommendation
Science fiction - Primary	Fiction
